ATTN: ACCOUNTING DEPT.

Dear Broker:

We are dedicated to paying commissions on time and accurately. Our process is to cut checks on the 25th of the month following the booking of an account and sending the checks with the broker commission reports attached. We would like to take a step to expedite the payment of commissions, by having all of our brokers sign up for direct deposit.

Attached is a form to fill out with banking information that we will use to deposit your commission amounts from here on out. We would like you to also provide us with an email address of the appropriate person you would like the copy of your commission statement to go to. We will also include the date and amount of the deposit made to your account in this email.

This will not only get you your commissions 3-5 days faster we are also working towards a green work environment and by not sending checks and paper statements we can save a lot of trees.

Please email back the form attached to accounting@paulhanson.com and fill in the email address you would like us to use when sending the commission statement backup for the deposit. You may also fax your form directly to (707)252-5905.

Thank you,

Shannon Horvath
Accounting Manager

Deposit Authorization Agreement

Mover's Choice Insurance Program

AUTHORIZATION AGREEMENT FOR DIRECT DEPOSIT

All of the information provided below is everything that is shown on your check.

(This information below is not required when copy of complete check is provided)
