Fact Sheet

DriveCam EZStart Program

Start your road to savings and safer drivers with the DriveCam EZStart™ program, enabling you to experience the DriveCam Program for a period of four months with a low up-front cost.

The DriveCam® Program provides a comprehensive program for identifying, prioritizing and correcting the causes of poor driving – before they lead to a collision. This “programmatic approach” helps you transform your safety culture and better ensure bottom-line results by preventing collisions and fraudulent claims while saving lives.

With the DriveCam EZStart program, you can quickly realize the rewards of a safer fleet and drivers.

**During the trial period you can expect:**
- Initial kick-off call to introduce the team and define goals
- Periodic check-in calls with the DriveCam Team
- Mid-program review to report results and make any refinements to your program
- End of program review to assess success
